02. Special News & Events: SCCHA 5D PlayDays

Hello Members,

Here we are in August and we still haven't gotten back to our club meetings where we can get together and socialize with our horse friends. Back in March and April, when this whole virus pandemic was beginning, I never dreamed it would last this long. I miss seeing all of you at the clubhouse and sharing about our plans and events. I suppose the good side is I haven't had an overload of work as president since we have suspended most of our activities.

There were a couple of highlights to our month of July, and that was the virtual Fourth of July parade, which was aired on the morning of the fourth. (View it here: <https://youtu.be/ZeCcSTbiUxE>).

And the 5 D PlayDay. We had another awesome time, with 38 riders showing up. Everyone was safe and cooperative with the social distancing requirements, and even with all that, we all had a fun time.

A lot of first timers were riding the events, and each one came out of the arena with a big smile on their face. Lots of money was awarded, but just being there and competing was reward enough for many riders. I got feedback from several people saying that it was a new and fun experience for them and their horses, which had never done that kind of event before. Tons of thanks to our crew who put on the show, Edie, Danielle, Farrell and Yvonne, the backbone of the crew, plus volunteers like Courtney, Kathy, Rachael and others. Everyone is looking forward to the next show on August 30th.

Our Horsemen's ground has a small project underway. A local boy scout has approached us asking to do a project toward obtaining his Eagle Scout rank. We have narrowed in on rebuilding the shelving inside our snack shack. He is drawing up plans and will complete the project by the end of the month. We are happy to cooperate with the local Boy Scout Troop and provide this opportunity for the soon-to-be Eagle Scout, but we get so much out of it too! Win-Win! You all may remember we did this same thing last year when a local Eagle Scout built the big mounting block which is on our grounds, with a plaque honoring the memory of Norma Tucker.

Well, let's all stay safe and healthy, and try to get out and ride your horse when you can!

Linda Carcione President
