President Message

"PROMOTE FELLOWSHIP BETWEEN HORSEMEN AND A GREATER UNDERSTANDING OF HORSES"

- **President's Message**
- **Events**
- **Welcome New Members**
- **Financials/Volunteer Requests**
- **2021 Board Members**

Hello SCCHA members,

Thank you for helping our club and responding with your email votes on replacing our water tank. It was a unanimous "Yes" to go ahead with this project. You may have noticed two big water tanks lying around on our grounds. We had them hauled over to the Horsemen's last weekend, and we will begin the work to install the new tank this coming weekend. The tall tank will be our new one, and the shorter tank is Yvonne's, which we will use temporarily during the construction transition between tanks. I watched them move them and took pictures, since it was quite a feat!

Spring is coming and we have upcoming horse shows in April! Our first in the series of 5D shows will be held at our arena on April 18. And then our Schooling Show will be on April 24. Both of these events are open to members and guests, of all ages and skill levels. It's lots of fun, so come out and join us at these events!

We still aren't holding our General Dinner Meetings. But we try to keep in touch with our membership through this newsletter and other email announcements throughout the month. We don't want to lose touch! And if you know of anyone wanting to join the club, and needs three events to attend, tell them about our April horseshows! They can attend, to watch or ride, and either way it will count as an event toward their membership. I look forward to seeing a lot of you there – it will be a bit like a reunion for us since we haven't gathered in quite a while.

This beautiful weather has given us lots of opportunities to go outside and ride! I have enjoyed our local park trails and even though they are busier than usual these days, it's a real treat to get out in nature especially during this pandemic. Recently I took my horse and rig over to the Hacienda entrance of Almaden Quicksilver Park and parked in the area designated for equestrian parking only. I was the only rig there but I caught the attention of a passing Ranger in her truck. She came over and introduced herself as Ali Famalett, head ranger for AQ and Calero. She told me she was so pleased to see equestrians using the park, and that I had room to park my rig in the equestrian parking area. She knows how hard it can be to bring a rig in that lot when it's so full, and especially when cars park in the equestrian parking area. With so many newbies visiting our parks for the first time, sometimes there can be congestion in the parking area at the Hacienda entrance and because of that, she told me she's designated that the overflow parking area be open 7 days a week (not just on weekends) in hopes of easing the parking congestion. I was so delighted to hear our ranger express that she wanted to see equestrians out using the parks, and I told her we love and appreciate our trails, and that she is keeping our equestrian privileges open at our parks. Let's show them that we all really appreciate our trails whenever we see our park crews. They need to know that equestrians want to be there.

Welcome New Members

Welcome Ames Family

Hello, my name is Trisha Ames. We are a fourth generation Almaden family, with my children and husband, all growing up here. We are very active in the Almaden community, including Almaden Valley Girls Softball League, Almaden Little League, Almaden NJB, Bret Harte Athletics, and Leland Athletics. Additionally, Brian and I have volunteered our time as parent volunteers and coaches and have held numerous board and committee positions throughout both school boards and athletics.

My daughter, Hannah, has taken up horsemanship a few years ago - both she and her horse, Bodie, are part of the Golden Shiloh Equestrian Facility. Although her experience has been mostly in English shows and riding, her true love is western. She is excited to become part of the SCCHA and hopes to train and participate in western events and rodeo, particularly barrel racing.

We have attended several events at the Horseman's and I have a special affinity for the warmth of the building, the history of the club, and the legacy it has in the Santa Clara Valley. My family and I are happy to be members of SCCHAs.

Volunteers Needed (Resources and Supplies)

Hi all, the club runs on the generous contributions and volunteers from our members and the community.

To help you understand our needs, we'll have a 'running' Volunteer Request area in the newsletter. Feel free to submit your volunteer requests needed from others, as well as Call one of the Board Members to help fulfill a volunteer request.

Sharon Pfeiffer, Grounds, has kicked off the process with these requests. Please contact her to arrange your help: 408-398-6791
sharonjean54@yahoo.com

We would be thrilled if a member wanted to take the reins and help organize these activities as well. We can provide the membership list to coordinate help.....

- * Weeds: Pull stink weeds where the horse trailers park
- * Finish granite slab in snack shack
- * New door needed on snack shack
- * Volunteer list to help water with water buffalo
- * Paint touch ups around hall
- * BBQ area fixes

We are looking for donated Wheel Barrows & Manure Forks to make our SCCHA Campers more comfortable!!
