02. Events: SCCHA 5D PlayDays

Hello Members

As June begins, I am grateful that we will be starting to open up our communities and businesses after being closed down for months due to the COVID pandemic.

The SCCHA board will be meeting in June to discuss our process for beginning to hold meetings and events again. This is finally happening, and with all the appropriate health precautions in place, we will be getting together again. Watch for updates to be emailed to the SCCHA membership soon.

As you know, we have had to cancel our horse shows and Playdays through May, but watch for new shows to be held in June, July, August and September. Our 5D Playday is schedule for June 28 and we'll plan on holding it on our SCCHA grounds as scheduled. We are excited to finally get started again with these fun shows.

Another event that we participate in every year will have a new slant to it -- the Morgan Hill 4th of July Parade. We have an opportunity to be a part of this event, and this year, instead of a live parade with large crowds, it will be a televised video parade! This is how it will work: we register to be entered in the parade, and member riders who want to participate will sign up with our parade coordinator. Then on a day of our choosing on a weekend in June, we gather at the Horsemen's grounds. We will decorate our horses and saddle up and ride in our own little parade while a professional video crew records us. The video will be compiled with all the other participant videos into a video-parade that will be televised on July 4th. Pretty cool! And just think, if your horse spooks in parades because of all the noise and scary sights, this will be a smaller and calmer setting for you and your horse, so you can give it a try. Plans are just beginning on this, so we will be sending more details and an opportunity to sign up to participate by email.

I have been so glad I can get outdoors and be with my horse during this Shelter in Place. Riding in the park or hanging out at the ranch is so therapeutic, and I'm sure that's true for a lot of you. Soon we will be riding together again, as a club. Until then, stay safe and healthy!

Happy trails,

Linda Carcione
