

CORRAL CHATTER

JUNE 2021

SANTA CLARA COUNTY HORSEMEN'S ASSOCIATION, INC.

PRESIDENT'S MESSAGE

The Horsemen's is getting back in the swing of things with new horse events each month. We just wrapped up May with an awesome Play Day on Sunday. There were 28 riders, and lots of spectators cheering them on! We had all levels of riders participating and that's exactly what we like to see at our Play Days! They are a great opportunity to try something new with your horse, but even the seasoned speed riders had a good time. Our next 5D Play Day is scheduled for June 27th so mark your calendars.

Earlier in May we had the Robbie Potter Horsemanship weekend clinic, and I stopped by to watch it for a while. I was so impressed with the lessons and the improvement I saw with the riders and their horses. It was a great weekend of instruction and trust building for horse and rider! Thank you Robbie Potter for an amazing clinic!

We also had our tree planting work day in May, and what a successful team effort that day was! There were so many hard working volunteers, and we were able to plant 15 trees, and lay over 1000 feet of pvc water lines. I want to thank everyone who helped out!! And also thank you to our tree donors: Yvonne and Jim Lee, Wendy and Todd Fedde, Chris Minkler, the Tarasco Family, the Parakh family, Mary Shapiro, Jim and Kathleen O'Neill, Golden Shiloh Equestrian Center, Bianchi Equine, Gary Matthews Farrier Service, Jennifer and Armando Gonzalez, Liz and Neil Kehoe, Rich and Kathy Romo, the Trolan and Carcione families. And one special tree is dedicated to the memory of Lifetime member Joe Martarano who passed away November 24, 2020. Because of Covid restrictions, the family is waiting to have a memorial for him at the Horsemen's in the near future.

We share in the loss of another one of our lifetime members, Jim Tkach, who passed away on May 10th. I contacted Jim's wife, Donna, to send our condolences, and she shared some remembrances of their time with the Horsemen's. She says: "Jim was not a goer to meetings but he did enjoy the horseman's group rides, especially the Warner ranch ride & the Costa ride. Both on private ranches, through country we would never have been able to access otherwise. And riding side by side with older, far more experienced horsemen. It was always good to be with horsepeople, the best kind of people, camping overnight with the horses was so much fun & quite the learning experience. I miss him." Thank you, Donna, for sharing that with us.

Our purpose is to promote good fellowship between horsemen and a greater understanding of horses.

Thank You!

What an amazing turn-out for our Tree and waterline project

.....There aren't enough thank you's to be said for all the volunteers who helped make our tree planting work day such a success! We laid about 1000 feet of PVC pipe and 350 feet of conduit pipe and planted 15 trees today. James Tucker removed the big dead tree.

President's message continued

This year Morgan Hill is going to have a real parade again for 4th of July. We're so happy to get back to some of our annual traditions, which means the Horsemen's will be participating as a group in the parade. If you are interested in riding in the parade, check out the flyer with all the information in this newsletter.

Our newsletter has a new editor, Alexis Honig, who has volunteered for the position, and thank you very much Alexis! If you have pictures or anything you would like to submit for our newsletter, email them to Alexis at alexishonig1@gmail.com.

No general meeting in June, but maybe we can have a casual get together in July or August. We'll keep our membership updated on that as the time gets closer.

Volunteers Needed (Resources and Supplies)

Hi all, the club runs on the generous contributions and volunteers from our members and the community. To help you understand our needs, we'll have a 'running' Volunteer Request area in the newsletter. Feel free to submit your volunteer requests needed from others, as well as call one of the Board Members to help fulfill a volunteer request.

Sharon Pfeiffer, Grounds, has kicked off the process with these requests. Please contact her to arrange your help: 408-398-6791 sharonjean54@yahoo.com

We would be thrilled if a member wanted to take the reins and help organize these activities as well. We can provide the membership list to coordinate help.....

- * Weeds: Pull stink weeds
- * Finish granite slab in snack shack
- * New door needed on snack shack

- * Volunteer list to help water with water buffalo
- * Paint touch ups around hall
- * Deep cleaning/dusting of the trophy shelves

Welcome New Members!

Cameron Family

Melissa, John, Lauren, and Ryan

Sponsored by Courtney Adamo

Our family is excited to become members of the SCCHA club. We are greener than green around horses! We caught the “Love for Horses” bug from the Marzullo/Reeder family and couldn’t be happier. Our daughter Lauren recently began taking lessons at Golden Shiloh with Courtney and were welcomed by Cathy and the entire Golden Shiloh community with open arms. The events we have attended at SCCHA have opened up opportunities to our family that we are so grateful for. We are looking forward to many years together! Most importantly “Louigi Tortellini and Frankie Molasses”! John, Melissa, Ryan and Lauren Cameron.

Keep up the great work of inviting your horse-loving friends to our meetings and events! Guests may attend at least three SCCHA events in a 12-month period and apply for membership, with the sponsorship of any member in good standing.
